

Financial Report Deusi – Bhailio, 2023

“Deusi Bhailo” is a traditional Nepali cultural practice that takes place during the festival of Tihar, also known as Deepawali or Yamapanchak. Tihar or Deepawali is a Hindu festival celebrated by people who practice Hindu religion. It is the second big festival celebrated in Nepal and by the Nepali-speaking community in various parts of the world.

Since NRNA has a motto of ‘by Nepali for Nepali’, NRNA NCC Denmark 2023- 25 team had also decided to celebrate this festival by performing ‘Deusi-Bhailo’ among the Nepalese community within Denmark to create friendliness and positive vibes among each other.

In addition to that, the second generation is expanding and therefore it is also important to let them know the process of celebrating festivals and preserve culture for them. Though we could not reach everyone’s house due to the limitation of time, we wish you all a very Happy and Safe Tihar.
