

Financial Report Football Tournament Sweden 2024

The Non-Resident Nepali Association (NRNA-NCC) Denmark participated in a football tournament organized by NRNA Sweden. The event aimed to strengthen ties between the two countries and foster relationships among the Nepali diaspora through the medium of sports. By engaging in this friendly competition, the NRNA chapters from both nations sought to promote unity, cultural exchange, and a sense of community among Nepalis living in Scandinavia. Such initiatives are instrumental in bringing together Nepalis abroad, celebrating their shared heritage, and enhancing cooperation between different NRNA chapters across countries. To support the football tournament organized by NRNA Sweden, a comprehensive fundraising campaign was launched on social media. This initiative was greatly supported by NRNA representative, local organizations, and the broader Nepali community.
